

parser::parse_key

```
graph LR; A[parser::parse_key] --> B[parse_key_buffer::clear]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'parser::parse_key'. The right box is gray with a black border and contains the text 'parse_key_buffer::clear'. The arrow points from the right side of the first box to the left side of the second box.

parse_key_buffer::clear
