

parser::go_back

```
graph LR; A[parser::go_back] --> B[utf8_buffered_reader::step_back]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'parser::go_back'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'utf8_buffered_reader' on the top line and '::step_back' on the bottom line. Both boxes have a thin black border.

utf8_buffered_reader
::step_back
